Amendments to the Claims:

The following listing of claims replaces all prior versions, and listings, of claims in the application:

Listing of Claims:

- 1-20. Canceled.
21. (New) A fixed style buttstock for a firearm having a receiver extension with an elongated rib extending radially outwardly, said rib having a recess, comprising:
 - a) a buttstock body having a stowage cavity, a longitudinal through aperture to receive said extension, and a longitudinal key cut to receive said rib;
 - b) a coupling body receivable within said aperture, said coupling body having a threaded hole;
 - c) a retaining arm with one end portion pivotally connected to said coupling body;
 - d) said retaining arm including another end portion receivable within said recess;
 - e) a butt plate for covering said stowage cavity, said butt plate including an opening aligned with said threaded hole; and
 - f) a fastener receivable within said opening and said threaded hole to hold said butt plate against said buttstock body to pull said coupling body toward said butt plate, thereby securing

said another end portion within said recess to secure said buttstock body to said extension.

22. (New) A fixed style buttstock as in claim 21, wherein said aperture is cylindrical.

23. (New) A fixed style buttstock as in claim 21, wherein said coupling body is cylindrical.

24. (New) A fixed style buttstock as in claim 21, wherein said retaining pin is U-shaped.

25. (New) A fixed style buttstock as in claim 21, wherein said stowage cavity communicates with aperture.

26. (New) A fixed style buttstock as in claim 21, wherein:

- a) said coupling body includes a slot; and
- b) said one end portion is disposed within said slot.
